Let Us Have Your Monthly Drug Store Account

We want you to realize that it is possible to do your trading with us by mail with the same ease that you would were you to step into our front door to make your purchases. In fact, we are satisfied that you doubtless have drug store wants that you do not know the price of, in this case, write us and the goods will go forward to you with an invoice and a statement at the end of the month.

Stockmen, Miners, Farmers, Business men and in fact any one with a desk opening an account with us before January 1, 1916, will receive a perpetual desk calendar. This is one of the most handiest reminders on the market, each date being a separate sheet for the recording of future dates as well as a record of past transactions as the cancelled dates are simply turned over like the leaves of a book.

Write us and mention this offer. We have a limited number of these calendars and would suggest writing at once.

ANIMAS LAND

SOON OPEN

The United States Commissioner at Lordsburg yesterday received the following communication from the General Land Office at Washington, D. C.:

With reference to the survey of township 24 south, range 20 west, N. M. P. M., you are advised that same was accepted by this office and that a plat thereof will probably be forwarded to the Las Cruces Land Office (through the United States Surveyor General) within the next few days—to be filed after proper posting of notices, etc.

Very respectfully,
D. K. Parrott,
Acting Assistant Commissioner.

The notice comes as welcomed news to the people of Lordsburg and the Animas valley, as all are interested in the welfare of the coming valley to the west.

As soon as plats have been received at Las Cruces, notice will be published in the WESTERN LIBERAL. Following the notice of publication a date will be set, after which time filings will be accepted by the land office.

No one in the Animas valley will be allowed to file on their land prior to a date which will be announced and which is generally sixty days after the posting of notices.

The State of New Mexico is given a prior right to make its selections of land from the date of posting until the date of filing of homestead and desert land claims.

Additional Homestead Lands
The land office at Las Cruces announces that lands in T. 17 S., R. 16 W.; T. 31 S., R. 16 W. (Alamogordo) and T. 18 S., R. 10 W., have been designated as enlarged homestead lands.

Local and Personal
Rev. J. A. Land preached at Hachita Sunday and organized an excellent glee club there. He returned to Lordsburg Monday and will fill his regular appointment at the Baptist church here Sunday.

There will be special music at the Sunday meetings and the public is cordially invited to attend.

Young Ad Wolgast left Monday for Tucson, Ariz., where he will try the "dry" cure before entering the boxing ring again. Wolgast is a plucky little fighter and it is hoped that he will keep away from the booze and give himself a chance.

The following marriage licenses have been issued to residents of southern Grant county:

Manuel E. Mouno and Miss Catalina Rodriguez in Lordsburg, October 9. Abe Yarbrough and Mrs. Mollie Johnson of Animas, October 9. Edward T. Posey and Mrs. Ethel May Forsgren of White Signal, October 11. Charles Davis and Miss Leola Williams of Hachita, October 13.

In writing from Guthrie, Ky., Sam Killabrew advises the Liberal that he expects to return to New Mexico within the next few days. Mr. Killabrew has many friends here who are pleased to learn of his proposed return, which will be permanent. "I am certainly home sick and will be very glad to shake hands with old friends and make new ones," states Mr. Killabrew.

Mrs. W. H. Stevens received a letter from her daughter, Mrs. McCarthy of Liberal, Kan., this week, stating that the Al G. Barnes circus, which is to show here the 30th, had appeared in Liberal. While there one of the leading ladies took poison after a love affair with a handsome stranger. The corpse and incidents connected with the death and burial of the little circus rider are pathetic and read like the magazine stories. It is evident that the Barnes circus is living up to its name as a big affair.

Off for Frisco
Thursday noon the Liberal editor left for San Francisco on a combination business-pleasure trip. He will be gone ten days during which time George S. Mullarkey and Thomas A. Lister, Jr., will have charge of the office. The people of Lordsburg are requested to hand in any news notes or advertisements for next week's Liberal to either of these gentlemen. The editor will be in Lordsburg by a week from Monday.

Bring in Fine Stock
Thirteen carloads of the finest cattle ever brought into Southern Grant county arrived here Tuesday morning from Tucson, Ariz. Joe Olney, Charles Tyson, Al Wright and Q. F. Aker were the purchasers of the shipment, which consisted of cows and calves. The cattle were purchased seventy miles southwest of Tucson. The bringing in of this blooded stock is good for the country as it keeps up the high grade of stock on the range. The purchasers of this big shipment are to be complimented on their good judgment.

SATURDAY, OCT. 30

IS CIRCUS DAY

Big Barnes Circus has Multitude of Interesting Features; Different from the Other Shows

Depending entirely on trained animals to give the entertainment, the Al G. Barnes big three-ring wild animal circus, stands forth as the circus distinctly different from all others. It's a big three-ring circus, however, with acres of tents, parade glories, bands, clowns, acrobats, and general circus festivities, yet it has none but new features on its program.

Inside of the big steel-barred arena in the center of the show's mammoth tent are presented some of the most amazing, thrilling wild animal spectacles ever witnessed. Men and women trainers vie with one another for the plaudits of the people, by presenting death-defying acts with wild animals. Mlle. Florine offers a group of Persian leopards and jaguars; Miss Mable Stark presents Royal Bengal and Siberian tigers and Major Thornton has a large number of grizzly and other ferocious bears.

The greatest wild animal act ever successfully shown is given in the arena by Herr Louis Roth. Twenty-four full grown, jungle bred African lions are assembled at one time in this act by Herr Roth. His lack of fear among the great cats seems fairly "devilish."

This act is a thriller of the first water. In the ring at either side of the arena, are shown the domestic and less ferocious animals. A large herd of elephants, trained to do many amazing things, are presented in these rings. Camels, zebras, kangaroos, dogs, goats and monkeys are continually busy in the big sawdust circles.

Other features of special interest are Tom, Dick and Harry—juggling, horse riding, sea lions; Sampson, the aviation lion, and the Barnes troupe of beautiful horses and ponies. There are 550 of them and they are absolutely unrivaled as to beauty, breeding and education among the world's horses.

The comedy part of the show's program is provided by fifty comedy elephants, mules, ponies, dogs, monkeys and bears.

A big new feature parade is presented at 10:30. Performances will be given in Lordsburg at 2 and 8 p. m., on Saturday, October 30. Doors are open at 1 and 7 p. m.

Will Get Out Boost and Build Edition
E. S. Black and T. E. Caldwell of the United Publicity Company, are in Lordsburg at the present time getting out a boost and build edition of THE WESTERN LIBERAL.

The gentlemen have just completed the publication of this feature throughout the state of Arizona and have been very successful. They are out to bring people to the community in which they work and are making every effort to make their edition here a success.

Messrs. Black and Caldwell will have the "boost and build" department entirely in their hands and the Liberal will do the printing. The gentlemen expect to have their edition ready for the public by next week.

World's Feature Films
"A Daughter of the People" will be the World Film corporation attraction at the Star theatre tonight (Friday). In the cast are Laura Sawyer, Frederick DeBell, and Robert Broderick. The play is one depicting labor life in a cotton goods mill. There are many thrilling scenes and much exciting action. "A Daughter of the People" is one of the best of the World Film productions. The last of this company's productions packed the Star and the one of this week should do even better. Manager Briel has resumed these fine pictures upon the request of his patrons and none should miss the big Friday night show.

Mutual Masterpiece night will be Sunday when "The Darkening Trail" will hold the screen for four reels. "The Darkening Trail" is a stirring drama of the Alaskan wilds. The story is of the hopeless love of "Yukon Ed" for a girl who throws away her affections upon a cad. The picture is a dramatic masterpiece and the scenes are high in artistic beauty. Remember the Mutual Masterpiece show on Sunday evening.

SCHOOL NOTES
Miss Rhoda Hoogh represented the Lordsburg schools at the state fair in Albuquerque last week. Special instructions were given in domestic science and agriculture and the various representatives were the guests of the City of Albuquerque. Miss Hoogh reports having a most delightful and instructive time.

A Halloween party will be held next Friday afternoon at the school house in which all classes will participate. Following the exercises a mothers' meeting will be held.

A basketball court being made in the school yard and the boys' team is preparing to accept challenges from Bowie and San Simon. The girls' team will also participate in the basketball games this year.

Miss Mary Dee Muir entertained the nine members of the L. H. Club at a delightful banquet at the Tom Tong restaurant Monday afternoon.

The return game with the Hachita baseball team has been postponed for a few weeks.

MRS. MUIR HONORED
At the annual meeting of the Eastern Star for New Mexico, held in Albuquerque last week Mrs. Emma Muir of this city was elected worthy grand matron. Mrs. Crocker was elected Grand Adah. Miss Salter attended the convention representing the Lordsburg lodge.
